

# THE *LOFTON*

W E D D I N G   V E N U E

## Preferred Vendors

These vendors have the official Lofton seal.

Our list is always growing as we get to work and meet great new vendors, check back as we update new vendors. Just because a vendor is not on our list does not mean they are not equally just as great or professional, it may simply just mean we have not had the honor of working with them yet.
